Ladies and Gentlemen:

Pursuant to the captioned NMOCD Compulsory Orders, please note that Nearburg Producing Company reached voluntary agreements with all parties involved under the subject Orders, except for the four (4) below named uncommitted working interest owners, which all failed to make a timely election and pay their share of the applicable subject well costs, with such parties having the same working interest under both Orders:

In connection with such parties' failure to make an election and timely payment, such owners are deemed to be Non-Consenting Working Interest Owners pursuant to such Orders. At a later date Nearburg will provide to the NMOCD the actual costs incurred as to the drilling, completing and equipping each such well if same are completed as producing wells. A copy of this letter is being sent to each such party so that they are also aware of their election status pursuant to such Compulsory Pooling Orders.
