Dear Mr. Hall

The Director has decided to set your protest of Devon's proposed project area for the referenced well for an examiner hearing. Please provide Florine Davidson with a form of advertisement.

Thanks

David K. Brooks

P.S. to Ken Gray

I copied you on this because, to my knowledge, no counsel has yet been involved on behalf of Devon, and yours is the only email address for Devon in my directory. Please see that it is routed to the appropriate person.
