Re: Notice of Hearing
New Mexico Oil Conservation Division
Surface Commingling Application
Hare Gas Com D #1, #1E & J #1
T29N, R11W, Sec. 14, San Juan County, New Mexico

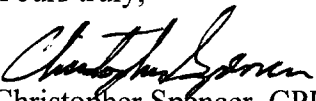

Ladies and gentlemen:

XTO Energy Inc. has filed an application with the New Mexico Oil Conservation Division requesting approval of surface commingling of (i) Basin-Dakota Gas Pool production from the Hare Gas Com. D Well No. 1, located in Unit Letter I of Section 14, and the Hare Gas Com. D Well No. 1E, located in Unit Letter G of Section 14, both of which are dedicated to the E $\frac{1}{2}$ of Section 14, with (ii) Otero-Chacra Gas Pool production from the Hare Gas Com. J Well No. 1, located in Unit Letter J of Section 14, which is dedicated to the SE $\frac{1}{4}$ of section 14, all located in Township 29 North, Range 11 West, NMPM. Gas produced from each well will be separately metered before commingling, and the commingled gas will use a shared compressor at the Hare Gas Com. D Well No. 1 location. Interest ownership differs between the E $\frac{1}{2}$ and SE $\frac{1}{4}$ well units.

You have previously been provided a copy of the application by XTO Energy Inc. when it filed an application for administrative approval. Due to an objection the Division has set this matter for hearing, which is scheduled for 8:15 a.m. on Thursday, August 25, 2005, at the Division's offices at 1220 South St. Francis Drive, Santa Fe, New Mexico 87505. As an interest owner in the E $\frac{1}{2}$ of Section 14, you have the right to enter an appearance and participate in the case. Failure to appear will preclude you from contesting this matter at a later date.

You are required to notify (in writing) the Division, and the undersigned, by Friday, August 19, 2005 if you intend to participate at the hearing.

Yours truly,

Christopher Spencer, CPL
Landman
