Re: **Request for extension to commence the Drilling of COG's Falabella 31 Well No. 7H Pursuant to Division Order No. R-13578/Case No. 14831.**

Dear Ms. Munds-Dry:

The Oil Conservation Division (OCD) received your letter dated May 22, 2013, regarding the referenced subject on May 22, 2013. It is our understanding that COG has encountered numerous scheduling problems that will prevent the drilling of this well as provided in this Order.

The OCD has reviewed your request and hereby extends the date to commence the drilling of this well on or before June 30, 2014..

If you have any question, please contact Richard Ezeanyim at (505)-476-3467

Sincerely;
