Re: ConocoPhillips Company's Application for a Non-Standard Location for the Emerald Federal Well No. 9, Section 17, Township 17 South, Range 32 East, NMPM, Lea County, New Mexico.

Dear Ms. Bailey:

In a letter dated March 21, 2014 (and received on or about March 24, 2014), ConocoPhillips Company ("Conoco") notified COG Operating LLC ("Concho") of its request for a non-standard location for the proposed Emerald Federal Well No. 9 located in Section 17, Township 17 South, Range 32 East, Lea County, New Mexico.

As an offset operator, Concho objects to Conoco's application. Concho requests this application be set for hearing.

Sincerely,

Ocean Munds-Dry
