Gents: My apology for a misunderstanding. I read the email communications as proposing moving the hearing to the May 15th docket, not the week of May 5th. I am unfortunately tied up the week of May 5th but am available for hearing this matter at the regular May 15th docket or at another time that week. Again, I apologize for the confusion.

Richard: At the initial hearing on this matter, we all discuss a special hearing date on the amended application. The revised C-108 has been filed, and the matter is currently set for 4/3. Due to a number of other matters I must complete over the next month, I'd request that the matter be moved to a special hearing during the week of May 5th. Both Mike and Ernie are fine with that week.

Please let us know. Thanks.
