**APPLICANT'S STATEMENT OF CASE**

As the majority interest owner in the W/2 W/2 of the subject section 21, Township 26 South, Range 33 East, NMPM, EOG Resources, Inc. ("EOG") opposes the proposed

pooling application because Mewbourne has proposed a well orientation that will result in waste and will impair EOG's correlative rights. Moreover, EOG just acquired its interest in the subject property on April 8, 2014, and intends to file a competing well proposal for the proposed non-standard proration unit.

### APPLICANT'S PROPOSED EVIDENCE
