It is my understanding that due to the Division's (my) failure to file a pre-hearing statement last week, the following cases will be continued to the May 25 docket.

13675      Application of the New Mexico Oil Conservation Division for an Order Requiring STEVENS OPERATING COMPANY to plug 7 wells

13709      Application of the New Mexico Oil Conservation Division for an Order Requiring K.P. KAUFMANN COMPANY to plug 1 well

13711      Application of the New Mexico Oil Conservation Division for an Order Requiring TEMPO ENERGY, INC to plug 1 well

13712      Application of the New Mexico Oil Conservation Division for an Order Requiring HEARTLAND ENERGY CORP. to plug 2 wells

13713      Application of the New Mexico Oil Conservation Division for an Order Requiring REUBEN F. MOMSEN to plug 1 well

13714      Application of the New Mexico Oil Conservation Division for an Order Requiring TENNECO OIL COMPANY to plug 1 well

13715      Application of the New Mexico Oil Conservation Division for an Order Requiring WILLOW CREEK RESOURCES to plug 1 well

Thanks

David Brooks
