Dear Mr. Perrin:

As a follow-up to your telephone conversation with Ken Kundrik, please be advised that RIM Southwest Corporation acquired Harken Southwest Corporation, by name change, effective December 31, 2000. The referenced leasehold was part of a much larger package.

Our agreement with Harken indicated all wells in the Rattlesnake Field had been plugged and abandoned, however, none of the wells listed on the Hearing Docket, to be held October 18, 2001, were listed in our agreement with Harken. RIM therefore respectfully request that these wells be removed from Docket No. 34-01, Case 12739, so that we may research the ownership.

Should you have any questions or need additional information, please call Ken Kundrik at (303) 799-9828, extension 303.

Sincerely,

Rene Morin
Vice President
