Subject: FW: Inactive 7/17/2001 Xeric

Attention: Rob Barnett

Mr. Barnett,

Attached is the spreadsheet of inactive wells we discussed by phone this afternoon. These wells will need to be addressed within the next year. Within the next few weeks, please complete the column labeled "Operator's Proposed Action/Date and Comments" and return the spreadsheet to me. Feel free to call me if you have any questions. Thank you for your cooperation.

Lori Wrotenbery, Director
Oil Conservation Division
1220 S. St. Francis Dr.
Santa Fe, NM 87505
