Subject: Gunner Wells Case Nos. 15035 and 15044 - joint motion for continuance
Attachments: 2014-06-13 Joint Motion for Continuance.pdf

Please find attached a joint motion to continue Case Nos. 15035 and 15044 to the July 17, 2014, Commission docket. None of the parties oppose the motion.

Because all parties agree to a continuance so the parties can pursue a potential settlement, the parties are not filing their prehearing statements or exhibits by the 1 p.m. deadline with the expectation that the Commission will grant the motion for continuance. If the joint motion is denied, the parties request until 5 p.m. today to file their prehearing statements and exhibits.

Thank you very much.

Sincerely,
Adam

JOINT MOTION FOR CONTINUANCE

COG Operating LLC ("Concho") and the undersigned parties ("Yates Brothers, et al.") jointly move the Commission to continue the above-referenced cases to the Commission's July 17, 2014, docket to allow the parties additional time to pursue settlement. Good faith settlement discussions have been ongoing and a continuance will allow the parties additional time in which to reach compromise without resort to a hearing. The parties request that, should this motion be granted, the filing deadline for prehearing statements and exhibits in these cases be extended for all parties until July 10, 2014, pursuant to 19.15.4.13.B NMAC.
