

## Subject Area - Drainage Radius Map

**Blue circles represent  
ultimate drainage  
radius (feet)**

Circular Drainage Area	
Acres	Radius Feet
40	745
160	1,489
320	2,106
640	2,979
1280	4,213

**Well's with no blue circle have no drainage radius calculated and do not have any historical production and/or phih estimate for the well.**
