Laura Meade

Chasity Garza
1410 E. Broadway
Brownfield, TX 79316

- 5-20-14: Sent well proposal letter via certified mail with AFE enclosed. Advised her of the title defects associated with her possible claim to an unleased mineral interest and advised her that this interest would be subject to a Compulsory Pooling Hearing to occur July 10, 2014.
- 6-30-14: Received letter dated June 27, 2014 from Marion J. Craig, III advising me that Chasity Garza, daughter of Laura Meade now owns the Laura Meade interest. On behalf of Chasity Garza, Craig offered to lease the Garza interest in lieu of being force pooled.
- 6-30-14: Emailed Craig advising him of the title defects associated with the Meade/Garza unleased mineral interest. Advised him that we would entertain his offer to lease the Garza interest and advised him this interest would be placed in suspense upon production since the quantum of the Meade/Garza interest could not be determined.
- 7-2-14: Advised Craig that the Mineral Deed from Laura Meade to Chasity Garza had a title defect as the land description for the Section 35 lands was incorrectly described. Advised Craig that this Mineral Deed needed to be corrected for Garza to claim an interest. Offered to prepare Oil & Gas Lease covering this interest. Prior to preparing the lease, I advised Craig that I needed Chasity's marital status and needed to confirm her address. Haven't heard back from Craig yet.
