

STATE OF NEW MEXICO
ENERGY, MINERALS AND NATURAL RESOURCES DEPARTMENT
OIL CONSERVATION DIVISION

APPLICATION OF NACOGDOCHES OIL AND GAS, INC. FOR APPROVAL OF A WATER DISPOSAL WELL, EDDY COUNTY, NEW MEXICO.

CASE NO. 14337

ENTRY OF APPEARANCE AND MOTION TO DISMISS APPLICATION WITHOUT PREJUDICE
OR, ALTERNATIVELY, TO CONTINUE MATTER INDEFINITELY

RECEIVED OGD
2009 JUN 18 A 11:00
COMES NOW the Oil Conservation Division ("OCD") and hereby enters its appearance in the above referenced matter pursuant to 19.15.4.10 NMAC 2008, and further moves to dismiss the application without prejudice, or alternatively, to continue the matter indefinitely. In support of these requests, the OCD states as follows:

1. It is OCD policy that applications such as the one submitted in this case - to convert an existing well to a water disposal well - only be considered for approval when submitted by an operator who is in full compliance with OCD rules because, pursuant to OCD Rules the Division may not grant this application unless and until NOG is in compliance with OCD Rules. (Rules 19.15.5.9, 19.15.15.4 and 19.15.26.8, NMAC 2008). To entertain the application prior to NOG being in compliance would result in a waste of time and resources on the part of the OCD.

2. Nacogdoches Oil and Gas, Inc. (NOG) is not currently in compliance with OCD Rules, and was not in compliance at the time this application was filed. As of today, June 18, 2009, NOG has a total of 93 wells that have been "inactive" for a period in excess of a year plus ninety days, and owes single-well financial assurances for 29 of its wells that have not reported production for period of at least two years. NOG is

resolution of the compliance and enforcement matter currently pending before the Division.

WHEREFORE, for the foregoing reasons, the Oil Conservation Division respectfully requests that:

- The application filed by NOG for approval of a water disposal well be **dismissed without prejudice**, which would permit later re-filing by the operator if and when the matter is ripe for consideration (i.e. if and when the operator has attained full compliance with all OCD rules and Case No. 14326 has been resolved);
- Alternatively, the OCD requests that the matter be continued indefinitely until such time as the enforcement and compliance action (Case No. 14326) has been fully resolved and NOG has been determined to be in full and complete compliance with all OCD rules such that it is eligible for consideration of approval of such a well.

Respectfully submitted
this 18th day of June 2009 by

Mikal Altomare
