

TO THOSE HEARING THE LIGHTING DOCK INJECTION WELL PROTEST ON
SEPTEMBER 10, 2015

IN THE PAST EVERY ONE INVOLVED IN LIGHGTING DOCK GEOTHERMAL
DEALT WITH THE PRODUCTION AND USE OF GEOTHERMAL WITH OUT
MUCH THOUGHT OF WHAT TO DO WITH THE COOLED WATERS. I THINK I
HAVE A PLAN TO SOLVE THE PROBLEM.

THE FEDERAL AND STATE GOVERNMENT WITH ENERGY AND MINERALS,
STATE ENGINEER, ENVIOMENTAL PROTECTION, STATE LAND OFFICE AND
ON AND ON--LIGHTING DOCK GEOTHERMAL, CYRQ ENERGY, BURGETT,
SEAWRIGHT AND MY SELF HOLD INTEREST IN THE GEOTHERMAL AND
ANY THING WE DO WITH GEOTHERMAL DOWN TO SPACE HEATING
INVOLVES WHAT TO DO WITH THE COOLED WATER. FOR 20 YEARS IT WAS
DUMPED INTO THE DIKE AND RAN DOWN TO FORM WET LANDS AND ON
TO WATER NATIVE SALT GRASS.

MY PROPOSAL IS TO LOCATE THE INJECTION WELL COMPLETELY AWAY
FROM THE USABLE GOETHERMAL AND INJECT IT, THIS INVOLVES A
PIPE/DISTRIBUTION LINE AND SHALLOW WELL SITE IN SECTION 6 WHICH I
HAVE OFFERED TO CYRQ AND THEY SEEM VERY INTERESTED, THE
INJECTION WELL IS IN THE COOLING ACQUIFER(SEE MANY SHALLOW
GRADIENT MAPS) THAT HAVE NATURALLY COOLED THE GEOTHERMAL IN
WATER ACQUIFERS FOR MILLIONS OF YEARS, THIS WOULD STOP FUTURE
PROBLEMS OF ANY COMINGLING, DEGRADING OF THE HOT GEOTHERMAL
FIELD LEAVING NOTHING BUT THE HIGHEST QUALITY HEAT FOR USERS.
THE FLOW CHART OF THE GEOTHERMAL WATERS--MAKE
ELECTRICITY>GREENHOUSES OR OTHER LOWER HEAT USERS>WET
LANDS>WATER FOR NATIVE VEGETATION AND /OR INJECTION-100%
BENIFICIALUSAGE.

IN THE BIG PICTURE ALL THE GEOTHERMAL WATER THAT LIGHTING
DOCK CAN PRODUCE NEEDS TO USED FOR BENIFICAL USE, NOT
DEGRADED BY REINJECTION IN THE HOT AREA (WE ARE JUST ON THE
LEADING EDGE OF THE POTENTIAL IF WE DON'T MESS IT UP) THE
GEOTHERMAL AND THE NEED FOR ELECTRICITY AND OTHER USAGE WILL
BE THERE FOR MANY YEARS TO COME. THE HOT GEOTHERMAL WATER
WILL STILL BE AVAILABLE TO US SHALLOW USERS, CYRQ CANT CAPTURE
ALL THE FLOW FROM THE DEEP FALT IT IS COMING UP THROUGH.

I HAVE THE LAND AND WATER RIGHTS TO MAKE THIS WORK-I CANT
THINK OF ANYONE THAT WOULD OBJECT--THIS IS ALL SHORT AND LONG
TERM WIN, WIN.
