

## Reclamation Fund Pluggings and Remediation

Cost per year for wells plugged through the Reclamation Fund:

FY03 680,163

FY04 1,167,873

FY05 663,953

Other projects using the Reclamation Fund include:

General Petroleum - Old Eunice Treating Plant  
Total expected to cost \$2.5 million.

Meteor Development - Crossroads Production Facility  
Total expected to cost \$300,000; may cost more if a more comprehensive cleanup is pursued.

Orbit - Milnesand State AB Well Numbers 1 and 2 and tank battery facility  
Total expected to cost \$100,000; may cost more if a more complex cleanup is pursued.
