Re: Case No. 13566  
Scheduled Hearing: 11/3/05  
Application by Unit Petroleum Co.  
Compulsory Pooling, Eddy Co. NM

Dear Examiner:

Subsequent to my letter dated 10/5/05, I have been contacted by Unit Petroleum Co., signed an AFE and advised that a Joint Operating Agreement would be furnished forthwith.

In this regard, it would appear that Unit Petroleum Co. has accepted the undersigned unleased mineral owners as non-operated working interest owners in their Monte Carlo Fed. Com Well No. 1 located in a proration unit composed of the E/2 of Section 1, T18S, R26E, NMPM.

Therefore, as participants in the subject well, the undersigned request to be excluded from these proceedings.

Thank you.
