1 WHEREUPON, the following proceedings were had at
2 8:24 a.m.:

3 EXAMINER STOGNER: At this time I'm going to call
4 Case Number 13,047, which is the Application of Chesapeake
5 Operating, Inc., for compulsory pooling, Lea County, New
6 Mexico.

7 Call for appearances.

8 MR. CARR: May it please the Examiner, my name is
9 William F. Carr with the Santa Fe office of Holland and
10 Hart, L.L.P. We represent ConocoPhillips in this matter.

11 I would like to point out that this case is an
12 outgrowth of a long-running dispute between Chevron, Conoco
13 and Sapient Energy Corporation. It resulted in a
14 Commission order approximately one year ago. The order was
15 Order R-11,652-B, and what that order basically determined
16 was that the proper spacing unit for the Bertha J. Barber
17 Well Number 12 was, in fact, the northeast quarter of
18 Section 7, Township 20 South, Range 37 East. The order
19 provided that if the parties in this acreage couldn't reach
20 voluntary agreement, that a pooling application should be
21 made to the Division.

22 The property has since been conveyed from Sapient
23 to Chesapeake Operating, Inc., and I can advise the
24 Division that there have been active negotiations to settle
25 these issues in this matter between ConocoPhillips and

1 Chesapeake. Those are ongoing, they will bind the other
2 parties, the other interest owners in the spacing unit. I
3 believe they will be concluded within the next 30 days.

4 And therefore, on behalf of ConocoPhillips we
5 would request a 30-day continuance of this matter to the
6 July 10th hearing.

7 I have discussed this matter on several occasions
8 with Mr. Kellahin, who is the attorney for Chesapeake
9 Operating, Inc., and he has no objection to this request.

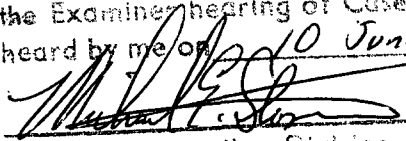

10 EXAMINER STOGNER: Thank you, Mr. Carr. Case
11 Number 13,047 will now be continued to July 10th.

12 And with that, this hearing is adjourned today.

13 Thank you.

14 (Thereupon, these proceedings were concluded at
15 8:25 a.m.)
