RE: XTO – Golden Corral 6 State 1H
E/2E/2 of Section 6-25S-29E
E/2SE/4 of Section 31-24S-29E
Eddy County, New Mexico

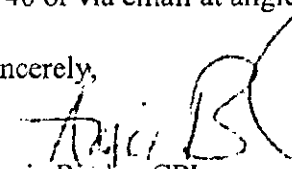

Dear Working Interest Owner:

XTO Energy Inc. previously proposed the drilling of the Golden Corral 6 State 1H well incorrectly as a 3rd Bone Spring formation well. This should have been a 2nd Bone Spring formation target, as reflected in the AFE supplied at that time.

I apologize for any confusion or inconvenience this may have caused.

Should you have any questions regarding this matter, I can be contacted at (817) 885-2746 or via email at angie_repka@xtoenergy.com.

Sincerely,

Angie Repka, CPL
