Thank You.

Case 15408 is continued to December 17, 2015.

We'll put this on the record Thursday.

We have Wednesday off here at the State – in the event no one answers the office phone.  
I will be getting emails on the cell phone, so keep them coming.

All: Attached is Apex's response to XTO's motion for a continuance.

Apex now consents to the continuance, so I have notified my witnesses not to come to Santa Fe.
