Houston,

Nice to meet with you today. As promised, I've attached the contact info for Brad Bartek. Brad is the local representative for Mack Chase and I believe they would be interested in discussing a deal on Ard's interest in the Maljamar Prospect, Eddy Co., NM. Let me know if you have any questions.

Thanks,

David

Brad,

If you will, keep us apprised of your progress with Ard as it could affect our plans to force pool the interest and let us know if we can be of any help.

Jim Bruce is filing pooling application next Tuesday for a Nov 12 hearing date. Houston Kaufman, on Ard's behalf, has contacted Brad Bartek at Chase to see if they can make a deal. Brad told Coley they want the additional interest so we'll keep our fingers crossed. At any rate, we are moving forward on CP until we know Chase (or someone else) has a deal made with Ard.

I'll get you something before noon tomorrow.

Meant to ask you - what is situation w/ Ard? Still on track for a CP hearing, or did you or Chase make a deal w/ them?

Subject: Ard interest - Maljamar

Brad,

You may get a call from Houston Kauffman. Houston is a friend of Julian Ard and is helping Mr. Ard deal with his interest in our Maljamar prospect leases. Mr. Ard owns approximately a 10.8% WI in the Maljamar prospect and is uncommitted to the joint operating agreement. (Mr. Ard had previously entered into a term assignment with COG Operating, but the term assignment has lapsed as to everything on our acreage not in a spacing unit. COG reassigned the interest to unearned lands back to Ard in May of this year.) Long story short, we are precluded from acquiring the Ard interest by assignment. We suggested to Houston that he call you to see if Chase Oil was interested in working a deal with Mr. Ard for the interest. We are continuing with plans to compulsory pool the interest if Mr. Ard decides not to join the existing operating agreement, but would be happy to see Chase pick up that interest if you can work out a deal. I wanted to give you a heads up on the Ard interest and possible call from Houston.

If you have any questions, feel free to give me a call and I'll explain further.

Thanks,
