Re: Resignation/Designation of Successor Unit Operator  
Forty Niner Ridge Unit  
Lea County, New Mexico

Dear Mr. Scarborough:

We are in receipt of your resignation/designation of successor unit operator, wherein Chevron USA Inc. has resigned as unit operator of the Forty Niner Ridge Unit and designated Mewborne Oil Company as the successor unit operator.

The Commissioner of Public Lands has approved the resignation of Chevron USA Inc. and the designation of Mewborne Oil Company as the successor unit operator of this unit.

In accordance with this approval, Mewborne Oil Company is now responsible for all operations and the reporting of all production from the unit effective December 16, 2013.

If you have any questions or if we may be of further help, please contact Pete Martinez at (505) 827-5791.

Dear Mr. Scarborough:

The Commissioner of Public Lands has, of this date, approved the referenced Plan of Development. Our approval is subject to like approval by all other appropriate agencies. The possibility of drainage by wells outside the unit area, and the need for further development of the unit may exist; therefore, we may contact you at a later date regarding these possibilities.

If you have any questions, or if we may be of further help, please contact Pete Martinez at (505)-827-5791.

Very truly yours,

Dear Mr. Scarborough:

Your Unit Agreement may state that Plans of Development are to be filed from "time to time", or whenever a change in the current Plan of Development is necessary. If you're Unit falls under this category please submit a current Plan of Development to this office by April 15, 2015.

In order to help you put together your 2015 Plan of Development, we have included a list of the information to be submitted to this office. We recognize the time involved in putting together the Unit Plans of Development and appreciate your cooperation in this matter.

Plans of Development

Please include the following when submitting current Plans of Development.

- 1.) A summary of the 2014 unit activities including new wells drilled, wells completed, wells shut in, dry holes, and wells converted to injection.
- 2.) If you have not submitted a Plan of Development within the past 12 months, please include a summary of unit activities since you last Plan of Development was approved by the Commissioner of Public Lands.
- 3.) A summary of the anticipated unit activity for 2015 including the wells to be drilled, worked over, shut in or converted to injection wells.
- 4.) A list of the wells in the unit indicating which ones are currently producing, shut in, or are injection wells. Please identify which wells are unit wells and which produce on a lease basis and the formation and pool from which they produce.
- 5.) The monthly production history of each well in the unit for the past two years. This may be a production decline graph or it may be in tabular form.
