Mr. McMillan:

Based on the withdrawal of Devon's protest and the information provided to both NMSLO and OCD, Division will dismiss the case and return the application to the administrative review process. Any additional requests for information can be handled by direct contact with the applicant, especially since the SLO continues to part of the conversation for the review. So, with no objects on Division side, I am assuming that you are asking for a dismissal? Correct. PRG

Mr. Goetze, good morning,

Yesterday afternoon we delivered an amended C-108 and other materials pertinent to Case No. 15442 to both you and Mr. Catanach. This morning, a copy of the same will be delivered to Anchor Helm at the State Land Office.

I am just writing to confirm that Case No. 15442 will be taken off the docket for this Thursday and that BC Operating's Application will be considered for administrative approval. Please advise, at your convenience.

Thanks,
Seth
