We certainly would not object to the admission of any additional evidence for the limited purpose indicated. I ask to be excused from attendance at the hearing on this matter, but if you wish to have me appear, please let me know.

Good Afternoon, Jordan

Based on your representation that Matador will be able to present evidence on February 18 that will clearly demonstrate the Sybyl Blackman Curry was duly and properly noticed for the original hearing, the case will be re-opened on that date for that purpose only.

Sincerely

David K. Brooks
