Re: COG Operating LLC NMOCD Application

Dear Mr. Fernandez:

Enclosed is a copy of an application for approval of a non-standard spacing and proration unit and compulsory pooling that COG Operating LLC ("COG") has filed with the New Mexico Oil Conservation Division ("the Division").

The proposed non-standard spacing and proration unit ("project area") is comprised of the W/2 W/2 of Section 21, Township 25 South, Range 35 East, N.M.P.M., Lea County, New Mexico. The location of the proposed project area is orthodox. The Bureau of Land Management's ("BLM's") interests are not being pooled, but as the owner of an interest in an offsetting tract, the BLM is entitled to receive notice of COG's application.

COG's application (Division Case No. 15485) is scheduled for hearing at 8:15 a.m. on Thursday, April 28, 2016, in Porter Hall at the Division's offices located at 1220 South St. Francis Drive, Santa Fe, New Mexico 87505. The BLM is not required to attend the hearing, but as the owner of an interest in an offset tract, the BLM has the right to appear at the hearing and present testimony. If the BLM does not appear at the hearing it will be precluded from contesting this matter at a later date.

A party appearing in the case is required by the Division's Rules to file a Pre-Hearing Statement, which in this matter must be filed no later than Thursday, April 21, 2016. The Pre-Hearing Statement must be filed with the Division's Santa Fe office at the address above, and should include: the name of the party and the party's attorney; a concise statement of the case; the name(s) of the witness(es) the party will call to testify at the hearing; the approximate amount of time the party will need to present the party's case; and an identification of any procedural matters that need to be resolved prior to the hearing. The Pre-Hearing Statement must also be provided to me.

Thank you for your attention to this matter.

Very truly yours,

Gary W. Larson
