Re: Requested Voluntary Termination
SRO Exploratory Unit Agreement
W/2 Section 20-26S-28E (w/o/l)
Eddy County, New Mexico

Dear Lisa:

Pursuant to your request, please find attached an original Request for Voluntary Termination of the SRO State Exploratory Unit which has been duly executed by the undersigned. While we are not currently a working interest owner under this Unit, we have executed same pursuant to your instructions in our telephone conversation of October 21, 2013. It is our understanding that you requested we execute this document since Nearburg Exploration Company, L.L.C. is an original Lessee on the lands referenced above.

Should COG be successful in its request for the approval of the termination of the Unit by the Commissioner of the Public Lands, please forward copies of same for our files.

We hope that this meets with your approval. However, should you have any questions or comments in regard to this matter, please do not hesitate to contact the undersigned at (432) 818-2914 or via email at rhoward@nearburg.com.

Sincerely,

Nearburg Exploration Company, L.L.C.
