Randy:

As always, enjoyed seeing you and John and here is that other SRO opinion we talked about.

Also, I remembered the other thing. After I finish this email I'm going to double check that you are properly in APO status on the 5 Cluster wells, the FUN and Way South 4H. I seriously doubt the Honey Graham 5H has been switched over yet since I just received your election this afternoon, but I'll get the ball rolling on that.

Thanks
