Commercial Well Determinations
Big Eddy Unit #171 API #30-015-35591
Morrow Formation
Eddy County, New Mexico

Case # 365

Dear Mr. Glasscock:

We are in receipt of your letter of March 31, 2009 together with the commercial determination data for the above referenced well.

The Bureau of Land Management, by their letter of June 27, 2016 advised this office that they do not concur with your determination that the Big Eddy Unit #171 is capable of producing unitized substances in paying quantities from the Morrow Formation.

Please be advised that the Commissioner of Public Lands concurs with the Bureau of Land Management's determinations that the Big Eddy Unit #171 is a non-commercial Morrow Formation well and should be produced on a lease or communitization basis. The well's Morrow completion is not entitled to be a part of a Participating Area.

If you have any questions, or if we may be of further assistance, please contact Unit Manager Marilyn Gruebel at 505.827.5791 or Unit Analyst Sue Keelin at 505.827.5387.

Respectfully,

AUBREY DUNN
