Re: Termination Notice
Morton Solid State Unit
Lea County, New Mexico

Dear Ms. Keuchel:

This office is in receipt of your plan of development dated February 15, 2016. Your plan of development and operation for 2016 advises this office that you plan to plug and abandon the Morton Solid State Well No. 4 (30-025-35228).

The New Mexico Oil Conservation Division form C-103 Dated March 30, 2016 reflects that the Morton Solid State Well No. 4 was plugged and abandoned on March 16, 2016.

Since the Morton Solid State Well No. 4 is the only producing well in this unit and since this well has been plugged and abandoned, please be advised that the Morton Solid Unit has been terminated effective May 2, 2016.

If you have any questions, or if we may be of further help, please contact Pete Martinez at (505) 827-5791.

Respectfully,

A handwritten signature in black ink, appearing to be "Aubrey Dunn", is written over the printed name.
