Subject: RE: New Mexico Oil Leases

Dear Mr. Eisenhower:

I appreciate you returning my phone call earlier this morning regarding the H.B. Amerine Estate mineral interest. I have looked at our drilling title opinion that states the following, in summary:

C.L. Cramer at one point in time owned the 5 acre tract in question. There was then an affidavit by Anna Helen Amerine dated 9-15-1980 which states that H.B. Amerine inherited the mineral interest from his father, James Amerine, who died in 1932. The affidavit then states that H.B. Amerine had adversely possessed the tract of land by paying taxes on it for the past 48 years.

Do you all have any probate proceedings on the estate of James Amerine and H.B. Amerine, and any additional estates that may have ownership in this tract? We only see a deed from Terry Amerine to The Laundry Basket, LLC, but I was informed that there are numerous other heirs to the estate of H.B. Amerine.

I appreciate your help and willingness to share any probate material that you might have. I am talking with management to see what kind of revised offer we may be able to send and will update you with that information shortly.

Thanks,

Randy & Erin:

Thank you for sharing everyone's contact information, Randy. I am sending this email to make sure everyone knows where we stand in the process and plan on calling Rob later today to discuss further.

Attached please find a copy of the latest correspondence I have sent out regarding our Boston "7" Prospect, which is the S/2 of Section 7, Township 24 South, Range 28 East, Eddy County, New Mexico. Our Drilling Title Opinion dated March 16, 2016 states that The Laundry Basket, LLC owns 100% of the mineral interest found in the W/2SE/4NW/4SW/4 of the subject Section 7, containing 4.9525 acres, more or less. I was informed that this interest may have passed to a different holding company, or even to individuals- do you mind updating me with the current ownership?

Also attached is our lease form for your review and approval should you decide to lease to Mewbourne Oil Company. Please review the lease form and advise of any questions or concerns that you may have.

We have plans to drill the first well in late January, 2017. The first well will be our Boston "7" W2MP Fee #1H well which will target the Second Wolfcamp Shale. Feel free to call me or shoot me an email if you have any questions or if I may provide any additional information.

Upon judicial determination of ownership, Mewbourne will pay you a per net acre bonus associated with any ownership you are determined to own.

Alternatively, you have the option to participate in the drilling of our proposed Boston "7" W2MP Fee #1H Well. You will be liable for paying your share of the well costs, but the proceeds from the well will be placed in suspense until judicial determination of the mineral interest is determined. Enclosed for your further review and handling is our Authority For Expenditure ("AFE") dated 5-9-2016. If you so choose to participate in the well, please sign and return the AFE to my attention. I will then forward you a copy of our Joint Operating Agreement ("JOA") for your execution. Dear Ms. Riley:

Mewbourne Oil Company ("Mewbourne") hereby proposes to drill the captioned Boston "7" W2MP Fee #1H well from the above referenced Surface Location to the Bottom Hole Location. Our records indicate that you may own an undivided mineral interest in the in the W/2SE/4NW/4SW/4 (AKA Malaga Tract #1023) of the above captioned Section 7, containing 4.9525 acres, more or less.

Our Drilling Title Opinion dated March 16, 2016 states that H.B. Amerine claimed ownership to this tract of land by adverse possession which was evidenced by that certain Affidavit filed of record in Book 189, page 177 of the Miscellaneous Records in Eddy County, New Mexico. Requirement No. 33 of our Drilling Title Opinion states that a Quiet Title Suit must be initiated in order to establish ownership as to this tract of land. I have included copies of the pages summarizing the ownership and title issues found in our Drilling Title Opinion for your reference.

In the meantime, Mewbourne is willing to take a lease from you, but we are unable to pay any bonus consideration at this point in time due to the title issues associated with this tract of land. Upon judicial determination of ownership, Mewbourne will pay you a per net acre bonus associated with any ownership you are determined to own.

Alternatively, you have the option to participate in the drilling of our proposed Boston "7" W2MP Fee #1H Well. You will be liable for paying your share of the well costs, but the proceeds from the well will be placed in suspense until judicial determination of the mineral interest is determined. Enclosed for your further review and handling is our Authority For Expenditure ("AFE") dated 5-9-2016. If you so choose to participate in the well, please sign and return the AFE to my attention. I will then forward you a copy of our Joint Operating Agreement ("JOA") for your execution. For your information, the overhead rates found in the JOA will be \$7,500.00 per drilling month and \$750.00 per producing month.

Should you have any questions regarding the above, please email me at cpearson@mewbourne.com or call me at (432) 682-3715.

Re: Ronald Cannon, et al., leases insofar as they cover the following lands in
EDDY COUNTY, NEW MEXICO:

Township 24 South, Range 28 East, NMPM:

Section 7: Lots 1-4, E/2 W/2 and E/2 of,
containing 638.46 acres, more or less, and comprising all of Section 7.

(Your Boston "7" Prospect)

Gentlemen:

We have examined the following:

PRIOR TITLE MATERIALS

Prior title materials in our files pertaining to the mineral estate only of captioned land
for the period from inception of the records to December 12, 2006 at 7:00 a.m.

EXAMINATION OF RUNSHEET

Uncertified runsheet prepared by J&J Energy Land Services, Inc., based upon the
tract indices of Guaranty Title Company of Carlsbad, New Mexico, and furnished to the
undersigned by you, together with copies of the instruments therein, covering captioned
land for the period from July 31, 2006 at 7:00 a.m. to October 9, 2015 at 8:00 a.m. **NOTE:**
The runsheet indicates that a general name search was performed for instruments filed on
or after July 31, 2006 at 8:00 a.m.

INSTRUMENTS

1. Copy of Lease 14 more particularly described below.
2. Copy of Lease 16 more particularly described below.

Based upon examination of the foregoing and subject to the requirements and
comments hereinafter made, we find title to captioned land as of October 9, 2015 at
8:00 a.m., to be vested as follows:

Tract 7:

W/2 SE/4 NW/4 SW/4 of Section 7, containing 4.9525 acres, more or less (also described as Malaga Tract No. 1023):

Executive Rights, Bonus, Delay Rentals and Royalties:

The Laundry Basket, L.L.C.
(Unleased) _____

All**

**See Requirement 33 below.

The minerals underlying Tract 7 described as the W/2 SE/4 NW/4 SW/4 of Section 7 were at one time owned by C. L. Cramer. The materials examined include an Affidavit subscribed and sworn to by Anna Helen Amerine dated September 15, 1980, recorded in Book 189, Page 177, Miscellaneous Records, in which she states that H. B. Amerine is the owner in fee of Tract 7. According to the affiant, H. B. Amerine inherited this interest from his father, James Amerine, who died in 1932. In addition, according to the affiant, even if H. B. Amerine was not the real owner of Tract 7, by the payment of taxes for the past forty-eight years and the continuous open and notorious possession of Tract 7, H. B. Amerine was, in fact, the owner of Tract 7 by adverse possession.

By Deed dated August 17, 2002, recorded in Book 469, page 663, Eddy County Records, Terry Wayne Amerine, a single person, conveyed to The Laundry Basket, L.L.C. all of the grantor's interest in Tract No. 7. We have assumed for the purpose of crediting title to the mineral interest underlying Tract No. 7, that H. B. Amerine did in fact adversely

Mewbourne Oil Company
March 16, 2016
Page 41

possess the minerals in Tract No. 7 and that Terry Wayne Amerine somehow acquired this mineral interest from H. B. Amerine.

REQUIREMENT:

A quiet title action will need to be filed in Eddy County, New Mexico, quieting title to the minerals underlying Tract 7 into The Laundry Basket, L.L.C.

This matter is scheduled for hearing at 8:15 a.m. on Thursday, January 5, 2017, in Porter Hall at the Division's offices at 1220 South St. Francis Drive, Santa Fe, New Mexico 87505.
