Re: 2017 Plan of Development
Poker Lake Unit
Eddy County, New Mexico

Gentlemen:

In accordance with Section 10 of the Poker Lake Unit Agreement dated March 18, 1952, BOPCO, L.P., Operator of the referenced unit, hereby submits a Plan of Development for the Poker Lake Unit for the year 2017.

2016 Activity

- *Drilling*
 - Due to the commodity price environment experienced in 2016, drilling was not economic and no Poker Lake Unit wells were drilled during that time.
- *Plugged and Abandoned*
 - No Poker Lake Unit wells were plugged and abandoned in 2016.
- *Participating Areas*
 - No new Participating Areas were established in 2016; however, a $\pm 34,000$ acre Delaware "D" Participating Area multiple Bone Spring Participating Areas are being processed internally.
- *Infrastructure*
 - No major infrastructure changes occurred in 2016.

Future Development

- Due to market conditions, drilling activity has been temporarily suspended and will resume when the commodity price environment allows for economic development. Future Development wells for the purposes of this Plan of Development are wells for which we have approved APD's.

Offset Obligations

- Appropriate and adequate measures will be taken to prevent drainage of unitized substances from lands covered by the Poker Lake Unit Agreement or pursuant to applicable regulations.

Modifications

- In accordance with the terms and provisions of the Poker Lake Unit Agreement, this Plan of Development may be modified from time to time as a result of changing conditions.

Effective Date

- This Plan of Development became effective on January 1, 2017.

If this Plan of Development meets with your approval, please so indicate by signing in the appropriate space provided below and return one (1) signed original to the undersigned for our records.

Sincerely,

Andy Morrison
