Randy

As always enjoyed seeing you and John and here is that other SRO opinion we talked about

Also I remembered the other thing. After I finish this email I'm going to double check that you are properly in APO status on the 5 Cluster wells: the FUN and Way South 4H. I seriously doubt the Honey Graham 5H has been switched over yet since I just received your election this afternoon, but I'll get the ball rolling on that.

Thanks
