Brent

Per our phone conversation, attached is the CA and cover letter that was sent to Nearburg for the SRO State Com #43H. Melissa may have the signed green card for this, depending if Kelly filed them or not.

As soon as Aaron reviews the #44H, it will be routed for Mona's signatures. Please let me know if you need anything further. Thank you!

All

The Comm Agreements for the SRO State Com #43H and #44H are currently waiting for Nearburg's signatures. I understand that Aaron and Brent are working to resolve a term assignment issue with Nearburg. I checked with Brent about a month ago and he advised this issue still hadn't been resolved.

The SRO State Com #64H has the same spacing unit as the #63H Please see attached

The Boone is not in our area ☺

Please let me know if you have any questions Thank you!
