Subject Dismissal Case 15671 Smith and Mars Inc Application of Smith and Mars Inc for approval of lease pressure maintenance

Ernie and Ocean

Case 15671 shall be dismissed. Smith and Mars is out of 5.9 compliance. Smith and Mars Inc operates 70 wells and 13 are inactive. Smith and Mars is only allowed 2 inactive wells. Therefore, even if the case was heard, an Order could not be issued because the Applicant is out of 5.9 compliance.

The history of the case is as follows: The case was continued initially from April 20, 2017 to May 11, 2017. It was continued from May 11, 2017 to June 22.

Based on the two previous continuances and the continuing 5.9 compliance issues, the case shall be dismissed.

Once the Applicant is in 5.9 compliance, the Applicant can reapply for a new hearing.
