Florene,

OCD Cases 15695 and 15696, application for compliance orders against Norman L. and Loretta E. Gilbreath and Norman L. Gilbreath, respectively, was heard on June 22. The cases were taken under advisement that day, but no order has been issued yet. We have since obtained compliance from the operator and will not require the sought hearing order as the operator will have complied with the relief sought. If it is still possible, the Compliance and Enforcement Bureau requests that the cases be dismissed. If it is not possible to dismiss the case, we would like to supplement the record to show that they have complied with the Divisions requested relief.

Thanks
