Dear Mr. Lawlis:

I have received your letter dated April 24, 2006 regarding the Golden Lane "29" Well No. 1. I have reviewed the well files for both the 30-015-34295 and the 30-015-34046, and have again found no documentation to show that the well has been drilled. You may want to contact our District Office in Artesia, New Mexico, regarding this well, as they may have more information than we do. Their address is:
