OXY's STATEMENT OF CASE

Application seeks an order approving its proposed **Queen Lake Federal 19 No. 1 Well** (API No. 30-015-24292) at a surface location of 1,950 feet from the north line and 1,980 feet from the east line of Section 19, Township 24 South, Range 29 East, NMPM, Eddy County, New Mexico, for injection into the Devonian-Silurian formations. OXY is an affected person under Division rules, but did not receive notice of the application or of the hearing. It objects to this proposed commercial disposal well on the grounds that it will interfere with existing and proposed operations and plans of development.
