Re: Paying Well Determinations
James Ranch Unit
Eddy County, New Mexico

Dear Mr. Hilger:

We have determined that the ten completed wells in the James Ranch Unit on the enclosed list are capable of producing unitized substances from the Delaware Formation in paying quantities as defined in Section 9 of the unit agreement. Consequently, applications for the initial Delaware Formation Participating Areas and/or revisions to existing Delaware Formation Participating Areas shall be filed with the Reservoir Management Group pursuant to Section 11 of the unit agreement by December 31, 2018.

If you have any questions, please call Lewis Tromp, Petroleum Engineer, at (307) 261-7628.

Sincerely,

/s/ J. David Chase
