Re: Nash Unit Well Nos. 50H, 51H and 58H
Commercial Determination
Delaware Formation
Eddy County, New Mexico

Dear Ms. Repka:

We received your letter of July 14, 2014, together with data that supports your commercial determination regarding the Nash Unit Well Nos. 50H, 51H and 58H.

By their letter of August 13, 2014, the Bureau of Land Management advised this office that they have concurred with your determination for the above-mentioned well.

The Commissioner of Public Lands concurs with XTO Energy Inc. and the Bureau of Land Management's determination that the above captioned wells are capable of producing unitized substances in paying quantities from the Delaware formation, and that these wells should be admitted to the Delaware participating area. Please submit the appropriate expansion of the Delaware participating area to this office for approval.

If you have any questions or if we may be of further help, please contact Pete Martinez at (505) 827-5791.

Very truly yours,

AUBREY DUNN
