Mancos Formation
Rio Arriba County, New Mexico

Dear Ms. Scott:

We are in receipt of your letter of April 23, 2015 together with the non-commercial determination data for the above referenced well.

The Bureau of Land Management, advised this office that they concur with your determination that the San Juan 31-6 Unit 54 is not capable of producing unitized substances in paying quantities from the Mancos formation and is to be produced on a lease basis.

Please be advised that the Commissioner of Public Lands concurs with yours and the Bureau of Land Management's determinations that the San Juan 31-6 Unit 54 is a non-commercial Mancos formation well and should be produced on a lease or communitization basis.

If you have any questions, or if we may be of further help, please contact Pete Martinez at (505) 827-5791.

Very truly yours,

AUBREY DUNN
