1           WHEREUPON, the following proceedings were had at  
2 8:15 a.m.:

3           EXAMINER JONES: Let's call the meeting to order  
4 this morning, this is Examiner Hearing Docket Number 09-06,  
5 this is March the 16th, 2006.

6           The language on the top of the docket has been  
7 changed a little bit from what you see today to what you  
8 will see next time. One of the attorneys changed it just a  
9 little bit to kind of more reflect what the Rules say. And  
10 I think they're pretty much focusing on the prehearing  
11 statements, as you heard probably a lot of last -- two  
12 weeks ago. So anyway, that's kind of a focus, so I would  
13 say just be sure and read that.

14           And let's call the continuances and dismissals,  
15 and please let me know afterwards if I missed anything.

16           On page 1 of the docket, the first case, Case  
17 13,659, is continued to March 30th, and Case 13,608 is  
18 continued to April 13th.

19           On the second page, Case 13,609 is continued to  
20 April 13th.

21           On the third page, Case 13,662 is continued to  
22 March the 30th, Case 13,663 is continued to March the 30th,  
23 and I think both of those cases probably still need  
24 prehearing statements, and Case 13,664 is continued to  
25 April 13th, Case 13,665 is dismissed.

And on the sixth page, Case 13,598 is continued to March the 30th, Case 13,675 is continued to April 27th and Case 13,563 is continued to April 13th.

I apologize, I neglected to introduce my cohort, and the Division attorney this morning for this docket is Ted Apodaca. I really appreciate him appearing here with me. And my name is William V. Jones.

Any other continuances or dismissals?

(Thereupon, these proceedings were concluded at 8:18 a.m.)
