**RE: Offer for Oil and Gas Lease**  
**Township 29 North, Range 14 West**  
**Section 7: W/2**  
**San Juan County, New Mexico**

Dear Marion Lee Wells:

Lance Oil & Gas Company, Inc. has been acquiring leases in the above area and plan to drill for gas in the near future. Our operations will include the drilling of wells, which will result in these lands being included in a spacing unit of 320.0 acres. Our title examination indicates that you own a mineral interest in these lands and we would like to submit our proposal for an oil and gas lease within the current standards for your area.

The oil and as lease we offer provides for a five (5) year primary term, a paid-up oil and gas lease for, and bonus consideration based on \$50.00 per net acre, or \$50.00 for your .4304 total net mineral acres. The lease also provides for a standard 1/8<sup>th</sup> royalty in the event of production.

If you find the terms of this lease form acceptable, please execute the enclosed lease in the presence of a notary public and return it in the envelope provided. Please also complete the W-9 Request for Taxpayer Identification Number and Certification and return with the lease. The COPY is for your records. In order to expedite our leasing operation and avoid additional bank charges, we have not enclosed a bank draft. Instead, we will mail your bonus check direct to you within ten (10) days of receipt of this fully executed lease.

If you should have any questions please feel free to contact the undersigned at (505) 598-5601.

Sincerely,

Anne Jones
