Ladies and Gentlemen:

By letter dated February 13, 2006, ConocoPhillips Company (COPC), as Unit Operator for the referenced Federal Unit, filed the original Plan of Development (POD) for the calendar year 2006.

Pursuant to Section 10 of the San Juan 30-5 Unit Agreement, COPC now desires to amend the 2006 POD by addition of the following completion:

Well Name
San Juan 30-5 #267A

Dedicated Acreage
E/2 Section 24-30N-5W

Formation
Pictured Cliffs

Operation
Drill

The subject well was initially planned as a Fruitland Coal single. The Pictured Cliffs formation will be added to the completion.

COPC, as Unit Operator, plans to drill any wells that may be required to prevent drainage and any other wells deemed necessary or requested by the Unit Working Interest Owners under the terms and provisions of the Unit Operating Agreement.

Please confirm your approval of this First Amendment to the 2006 Plan of Development by executing in the appropriate space and returning one (1) copy of this letter to the attention of the undersigned. Copies of this letter are being sent to the working interest owners of the subject wells.

Sincerely,

Todd Thornburgh
