Mr. W. Douglas Bailey,
Trustee
Knights Bridge Petroleum Corp., Inc.
2201 North Collins, Suite 180
Arlington, Texas 76011

Dear Mr. Bailey:

Enclosed please find the Application of the Oil Conservation Division to plug the Knights Bridge Petroleum Corporation Triple Crown No. 1 well in Quay County, New Mexico. This well has been neglected for over two years now, and the Division feels that it can no longer allow the situation to continue.

We are also asking that the bond put up to secure plugging operations be forfeited to the Division to pay the cost of plugging.

If you have any questions, please give me a call at (505) 827-5805. The hearing on this matter is set for April 12, 1989, at the Oil Conservation Division Conference Room in the State Land Office Building in Santa Fe, New Mexico at 8:15 a.m.

Sincerely,

Robert G. Stovall
