Re: Case Nos. 13,771, 13594 (reopened), and 13778  
Kaiser-Francis Oil Company/Hayes Land & Production, LP/J. Cleo Thompson &  
James Cleo Thompson, Jr., L.P./Marbob Energy Corporation

Dear Mr. Jones:

Hayes Land & Production, LP does not object to 160 acre Bone Spring spacing in the W½ of Section 11 (with a W½W½ well unit). As stated by its witness at hearing, its main concern is that the W½NW¼ of Section 11 must be included in the well unit for the Mesa Grande "11" Well No. 2, because that well is 19 feet off of its lease line.

Very truly yours,

James Bruce

Attorney for Hayes Land & Production, LP
