Dear Mr. Ford,

Eddy County records indicate that you are the owner of 6.25% of the mineral interest in the above described lands. LCX Energy based in Midland, TX would like to drill a well on subject lands. Your interest is currently under lease until September 16th of this year and under the terms of that lease you are entitled to 1/6 of the production from the lands that you leased proportionately reduced to the interest that you own.

I am trying to locate several other mineral owners in the described land and am writing this letter with the hope that you might know how to reach them or their heirs. They are as follows:

William Darryl Murphy

Carroll J. Simmons

Scott B. Ford

Jack Crockett

Please call me collect at (432) 684-5821, if you have any information on any of these people. If we are not able to lease their interest, it is possible the well will not be drilled. Thanks for your attention to this matter.

Very truly yours,

Gary W. Stoltz

RE: Oil and Gas Lease Proposal
S/2 NE/4 and NW/4 NE/4 Section 10, T-17-S, R-24-E
Eddy County, NM

Dear Mr. Ford,

Pursuant to our recent conversation, here is my offer to lease your mineral interest in the above described lands. Eddy County records indicate that you own a 1/16 mineral interest on 7.5 net acres in subject lands. On behalf of LCX Energy, I am offering the following terms for an oil and gas lease covering your interest.

Bonus: \$75.00/acre
Royalty: 3/16ths
Primary Term: Three Years

We had also discussed several other members of your family who own mineral interests in these lands. I am listing them and the interest that they own according to the records of Eddy County.

William Darryl Murphy --- 1/12
Marquis L. Ford --- 1/16
Jack Crockett --- 1/24

It is my understanding from our conversation that your brother, Marquis, is now deceased and that Jack Crockett, who was your Step Father is also deceased, and that you are the sole surviving family member and probable heir to those mineral interests which are attributed to them. We would also be interested in leasing those interests, but would need to document the heirship by affidavit. I am enclosing an outline of an heirship affidavit so that you can see what information may be needed.

Thanks for your consideration of this offer. Please call if you have any questions or I will telephone after you have had a chance to review the matter.

Very truly yours,

Gary W. Stoltz

Dear Mr. Eller,

Pursuant to our most recent conversation, I am offering the following terms for an Oil and Gas Lease covering your interest in the above described property:

Term:	6 months
Bonus:	\$175.00/acre
Royalty:	1/5 th

Also enclosed is an Oil and Gas Lease for your review and a bank draft in the amount of \$5,250.00. Bonus has been calculated as 1/4 mineral in 120 gross acres for 30 net acres @ \$175.00 per acre.

The title opinion which was done by an attorney for LCX, sets out a question regarding the mineral interest that you acquired from the McKinney family. It appears that the McKinney family's intent was to convey 1/2 of their minerals or 1/4 interest to you. Please let me know if this is not correct. Also, as we discussed, we will need to get a subordination of the lien held by the First National Bank of Alamogordo with respect to the oil and gas lease. The title opinion also suggests that we get a subordination of the lien from Teresa Eller's transcript of judgment. We will need to get either subordinations or releases prior to payment of lease bonus. Please let me know how you wish to handle that matter. I can supply you with a subordination form if you wish.

If the Oil and Gas Lease appears in order and you are in agreement with the offered terms, please sign the lease before a notary public and place it with the endorsed draft in your bank as a collection item. If you wish to forego the bank draft process, you may mail the executed lease to me at the letterhead address. Payment will be made by check within 10 days of my receipt of the lease and satisfaction that the aforementioned liens have been subordinated.

Please call me at (432) 684-5821 if you have any questions.

Very truly yours,

Gary W. Stoltz
