Re: Current Status of Oil and Gas Wells

In May of 2000, we first notified you of your inactive wells that were not in compliance. Attached is the current list of your inactive wells that are not in compliance. Please provide me with the current status of each of these wells.

Remember that the deadline for compliance is June 1, 2002, after which time other enforcement action will be taken.

If you have any questions, please call me at 505-334-6178, ext. 16.

Sincerely yours,

Charlie T. Perrin
Deputy Oil & Gas Inspector
