Re: 2006 Plan of Development
Northeast Kemnitz Unit
Lea County, New Mexico

Dear Mr. Armstrong:

The Commissioner of Public Lands has, of this date, approved the referenced Plan of Development. Our approval is subject to like approval by all other appropriate agencies. The possibility of drainage by wells outside the unit area, and the need for further development of the unit may exist; therefore, we may contact you at a later date regarding these possibilities.

Our records reflect that Elk Oil Company is still the operator of record for this unit. Pursuant to articles 4 & 5 of the Northeast Kemnitz Unit please submit a resignation from Elk Oil Company and the designation of Armstrong Energy as the successor unit operator for this unit.

If you have any questions or if we may be of further help, please contact Pete Martinez at (505) 827-5791.

Very truly yours,

PATRICK H. LYONS
COMMISSIONER OF PUBLIC LANDS
