Re Case 13921, Yeso Energy Inc.

Dear Mr. Jones:

Case 13921 is currently scheduled to be heard on the May 24, 2007 docket. Yesterday I forwarded to you an e-mail from Mr. Gene Lee of Yeso Energy Inc. seeking a continuance.

The Oil Conservation Division (OCD) does not oppose the continuance, but asks that if the case is continued that it be continued until **July 12, 2007**. (Undersigned counsel will not be in the office on June 7, 2007, the first available date. Witness Daniel Sanchez may not be available June 21, the next available date.)

Please let me know if the continuance is granted, so that I may notify the OCD's witness.

Very truly yours,

Gail MacQuesten  
Assistant General Counsel
