Mr. Lee-

Yeso needs to request a continuance from the hearing examiner. I will forward this message to him. Notice of the hearing was sent to three addresses for Yeso on April 26, 2007. One address was the address Yeso used on its bond, and the two other addresses were the addresses Yeso provided for its "address of record" to be used for legal notices from the OCD (one was a street address and the other was a post office box address). We received green return receipt cards dated May 8, 2007, signed by Tim Hodges, from the two addresses of record. Notice was also published in three newspapers.

On your e-mail you copy Jim Bruce, an attorney, and someone else. Because Yeso has not filed a pre-hearing statement and entry of appearance, it is unclear whether Yeso is represented by counsel. If Yeso is represented by counsel, please have counsel contact me directly.

**Subject:** Case #13921--Application for Compliance Order

Yeso Energy, Inc. would request a postponement or re-scheduling of the hearing for the Application of a Compliance Order from the scheduled date of May 24, 2007. Yeso did not receive the notices of the Application for the Compliance Order until 5/18/2007 by Certified Mail which does not give sufficient time to contact legal counsel and/or prepare documentation for the hearing May 24, 2007. Your consideration in this matter is greatly appreciated.

Thank You,

Gene Lee
